Individual Classes Available to Homeschool Families at CBA!

In 7th -12th grade, students can take any class they desire a la carte without enrolling full time. We desire to be a help to those who have chosen to homeschool, but could benefit from the teacher/classroom experience in specific subjects such as fine arts, advanced math and sciences, Spanish, etc. We also allow homeschool families to be involved in the athletic department. If you would like to learn more about these opportunities or more about Calvary Baptist Academy, contact the school office. We would love to team with you and your family!

Hospital Visitation:

Because of the Federal Privacy Act, we can no longer call the hospital to see if anyone is there from Calvary Baptist. You can help us by letting us know if you or anyone from the church is in the hospital. Please do not assume we know.
