## INTRODUCTION

Jesus made an incredible statement which is recorded in John 10:27-29:

**“My sheep hear my voice, and I know them, and they follow me: And I give them ETERNAL LIFE: and they shall NEVER perish, neither shall anyone snatch them out of My hand. My Father, who has given them to Me, is greater than all; and no one is able to snatch them out of My Father’s hand.”**

The teachings of these verses plainly show that once people have been saved:

- they have eternal life.
- they will never perish.
- they are in God’s hand and nothing can remove them.

This teaching of the Scriptures that “once saved, always saved” is known as the “eternal security of the believer.”

This booklet is designed to give you a basic understanding of your eternal security in Jesus Christ.

## **GOD’S FAMILY**

1. How did Christ teach the disciples to address God?  
(Matthew 6:9)
  
2. According to John 8:42-44, is God the Father of every one? Please explain:
  
3. From John 8:42-44, you learn that there are two families. Who are they?
  
4. How is an individual born into God’s family?
  
5. John 3:3-8 talks about being “born again.”
  - a. Can a person be a part of God’s kingdom without being born into His family?

- b. You entered the human family by birth. How do you enter God's family?
- 
6. There are some benefits to being part of God's family. Look up Romans 8:15-17 and list some of these benefits.

It is important for us to understand that as Christians we are a part of God's family. Galatians 3:26, "*For you are all sons of God through faith in Christ Jesus.*" As children of God, we are assured that God is our Heavenly Father. This is our relationship to God. He is our Father! We are his children!

John spoke of this in I John 3:1-3:

**"Behold what manner of love the Father has bestowed on us, that we should be called children of God."**

We have security in this family. Once we become a child of God by faith in Jesus Christ, we will always be a child of our Heavenly Father.

## **ETERNAL LIFE**

Not only are we a permanent part of God’s family, but He has given us eternal life. The Bible refers to salvation as passing from death to life.

**“...He who hears My word, and believes in Him who sent Me has everlasting life, and shall not come into judgement, but has passed from death into life.”**

**John 5:24**

Eternal or everlasting life is exactly what it says it is—unending life. At salvation we are given unending life. That is security.

1. According to Titus 1:2,
  - a. What is the “hope” of the Christian?
  
  
  
  
  
  
  
  
  
  
  - b. What has God promised you?
  
  
  
  
  
  
  
  
  
  
  - c. Can God lie?

## **SECURITY**

1. Read John 10:27-30.
  - a. What has God given to those who accept Him as Savior?
  - b. What does it mean to “perish”?
  - c. Where has God placed you as a believer?
  - d. Is there any man who can cast you out of God’s hand?
2. According to II Timothy 1:12, did Paul doubt his security in Jesus Christ?
3. Read I Peter 1:3-5.
  - a. According to verse 4, did Peter doubt his eternal security?

- b. After reading verse 5, was Peter's eternal life dependent upon himself or God?

God has reserved a place for us as His children in Heaven. God, who cannot lie, has made us a promise of eternal life, and He will perform what He has promised.

Therefore, our security comes from having God as our Heavenly Father and having received eternal life. These two truths in our life form the foundation of our future. We are eternally secure in Jesus Christ.

## **MORE EVIDENCE**

1. Read Romans 8:35-39. Is there anything that can separate you from God?
  
  
  
  
  
  
  
  
  
  
2. According to Ephesians 1:13-14, what did God give you as a down-payment or guarantee?

## *Discipleship—Eternal Security*

One question often asked is, “If I sin, will I lose my salvation?” No truly born again individual should ever think that because he is secure he does not have to worry about sin in his life. In fact, the Bible teaches the opposite. Because we are saved, we must seek to live apart from sin.

3. The Bible records David’s great sin in the Old Testament. Psalm 51 is his confession of this sin. Read it carefully.
  - a. According to verse 12, what did David lose?
  
  
  
  
  
  
  
  
  
  
  - b. Based on this chapter, did David’s sin affect his

Relationship with God or  
His fellowship with God?

Sin does not alter your relationship, but sin does affect your fellowship.

4. I John 1:9
  - a. What should you do when you sin?
  
  
  
  
  
  
  
  
  
  
  - b. What does God do when you confess your sin?

## **CONCLUSION**

Eternal security is taught throughout the Bible. It means:

- God is our Heavenly Father and we are part of His family.
- God promises us Heaven and nothing can prevent it from coming to pass.
- The Holy Spirit within us is our down-payment until the time God gives us our “redeemed” body.

We, as children of God, are special in Jesus Christ.

**NOTE:**

In many churches today some popular teachings are:

1. We can lose our salvation.
2. We must work to keep our eternal life.

From the principles taught in this lesson we should understand that these teachings are false and why.

Write down any questions you may have regarding this lesson.
