Signatures Still Being Accepted:

We have collected well over 300 signatures to help save the lives of preborn children in the state of Michigan. If you have not yet done so, please stop by the church office and sign the petition for the partial-birth abortion and DISMEMBERMENT ABORTION ban act. This petition drive is to initiate legislation that was passed by both House and Senate and promised to be vetoed by Governor Whitmer. After enough registered voters' signatures are gathered (approximately 400,000), it will become law with a simple majority vote in the same House and Senate. If you would like more information, please stop by the church office or visit rtl.org.

Thanksgiving Bags:

The S.A.L.T. group will be handing out the Thanksgiving bag kits today in the gallery after the morning service. Stop by the table to sign up and grab your kit. The bags will be delivered on Saturday, November 23.

Women for Missions/Adopt-A-Missionary:

We are excited to continue our Adopt-A-Missionary program! When was the last time you contacted your missionary to let them know you are praying for them? Reach out this week! Any great stories about how "Adopt-A-Missionary" is going for your family? Please let us know! Also, during the month of November, Women for Missions will be collecting diapers for the Life Clinic here in Midland. We will be announcing collection details and dates soon!
