Individual Classes Available to Homeschool Families at CBA!

In 7th -12th grade, a student can take any class they desire a la carte without enrolling full time. We desire to be a help to those who have chosen to homeschool, but could benefit from the teacher/classroom experience in specific subjects such as fine arts, advanced math and sciences, Spanish, etc. We also allow homeschool families to be involved in the athletic department. If you would like to learn more about these opportunities or more about Calvary Baptist Academy, contact the school office at 989-832-3341. We would love to team with you and your family!
