CULTURE SHOCK: A BIBLICAL RESPONSE TO TODAY'S MOST DIVISIVE ISSUES

// Pastor Dan (Sanctuary)

This study seeks to address many hot topics in the world today that we as Christians struggle to talk about, and even think about, in a meaningful, God-honoring way. We live in a culture where issues like sex, homosexuality, abortion, the environment, and the church and politics are front and center and we have an unprecedented opportunity to share with others how God wants us to address these topics. More than ever before, believers must develop convictions based on research, reason, and biblical truth. But it doesn't stop there. It's equally important that you're able and willing to communicate these convictions with a love and respect that reflects God's love.

TACTICS: A GAME PLAN FOR DISCUSSING YOUR CHRISTIAN CONVICTIONS

// Pastor David (Room 100)

This eight-session study provides a game plan for communicating the compelling truth about Christianity with confidence and grace.

This class will help equip you as you think critically about the teachings of the Bible and the faith of the believer. Join us on these Sunday nights as we grow together answering these questions: What is the Bible? Who is God? What is Man? What is Sin? What are Justification and Sanctification? What is the Church? What is Truth...and are we really intolerant? Why is there Evil and Suffering? How do I grow and share my faith in Christ?
